Seniors Scene

Enrich your life with us!

Greetings!

Where did the month of May go? We were excited to welcome Margaret Mills as our lunch & learn presenter. Margaret is a long time Headingley resident and volunteer with the Costume Museum of Canada. She delivered a captivating presentation titled "The Way We Wore', exploring the significant role that everyday clothing has played in shaping Canadian culture and lifestyle throughout the years. She brought along a selection of artifacts and replicas, allowing the audience to connect with the history she recounted. This presentation was thoroughly enjoyed by all who attended. Thank you Margaret, and the museum for your time and expertise! We also kicked off two new regular grant funded programs— Ukulele Together and Golden Games! If you're looking to meet new folks and play some games, drop in on Tuesday afternoon to see what it's all about! June 4th lunch & learn will be our last before the summer—don't miss out, it's going to be a fun one!

We still have a few spots remaining on our bus tour to the Canadian Museum of Human Rights coming up on June 19th. Come beat the heat and explore the museum with us. June is a great time to visit the museum as it is also Pride Month; a time to honor the LGBTQ+ community, and the ongoing fight for equal rights. Headingley Seniors' Services supports a community of inclusion and respect for all.

Phoenix Rec will be hosting their annual summer Family Fun Day on June 21st beginning at 1pm. This event will take place at the Phoenix Community Centre. It is open to all ages—come and enjoy some outdoor fun!

Are you looking to take a trip but don't feel like planning a getaway? Come tour the world with us at one of our Folklorama bus tours this summer! Skip the lineups and enjoy reserved seating on this VIP bus tour! Seats are filling up fast. Read on for tour and pricing details and don't forget to register and pay before June 23rd for discounted pricing!

Our regular programming will slow down over the summer months. Read on for our program schedule. Pole walking will continue weekly on Friday mornings, but will be moved outdoors to the MHRD office on Seekings street. Seated exercises will still be offered at the new location. Talk to us for more details!

This coming weekend is expected to be another hot one! Remember to stay hydrated and seek shade during peak hours to prevent heat related illness. As always, if you want more information about what we offer, contact us!

Take care, Kristie & Margo
