We had a wonderful September! Over 80 people came out to our annual HSS BBQ, making it a fantastic opportunity to reconnect after the summer, enjoy some delicious food, and share information about the fall. Evan Morgan delighted us with some up-close magic, while Yolande Franzmann and Glenn Reimer prepared a lunch to be remembered! Read on for the recipe of the dish everyone was raving about! A heartfelt thank-you to everyone who joined us, as well as to all those who generously gave their time to make the event a success, including our councillors, MHRD, and community members.

October is busy! Starting October 2nd, pole walking will now take place Fridays at 11:00 am to accommodate our busy facility schedule. Plus, don't miss our 2 lunch & learns this month!

Contact us to reserve your spot—spaces are filling quickly! We will also be hosting the kids from bright beginnings daycare for another Halloween event and are in need of volunteers to hand out treats- read on for more info!

8. OCTOBER CALENDAR

Our annual Holiday Market is just a couple of weeks away! This important event helps us fund the many programs, services, and events we provide throughout the year. We are still looking for volunteers to help sell admission & auction tickets. If you are interested in helping out, please contact us for more information and shift options!

As always, our goal is to provide programs and services that support seniors, promote independence, and enhance quality of life.

For more information, please contact us or stop by our office—we'd love to see you!

Take care, Margo & Kristie

October 1 is National Seniors Day, a wonderful opportunity to recognize and celebrate the older adults in our communities.

At Headingley Seniors' Services, we are grateful for the many ways that older adults enrich our community through their experience, knowledge, kindness, and contributions. Every day, through the programs that we offer, we see the importance of connection, friendship, and a strong sense of belonging.

National Seniors Day is also a reminder to take a moment to connect with the special older adults in our lives. A phone call, a visit, a shared cup of coffee, or simply asking, "How are you doing?" can make a meaningful difference. In honor of this day, we will be having a special prize draw at our lunch & learn on October 7th!

To all the older adults in Headingley: thank you for all that you have given, all that you continue to contribute, and for being an important part of our community.

Happy National Seniors Day !

Texas Potatoes

An easy to make comforting fall side dish

Local Vendor Spotlight: Beate Forster

For Beate Forster, Headingley has become what she affectionately calls her “happy place.” Beate moved to Headingley just one year ago and soon became involved with Headingley Seniors' Services. She now spends Monday afternoons knitting and crocheting with the ladies at the Helping Hands program, combining her love of crafting with the opportunity to connect with others. Originally from Germany, Beate says her childhood exposure to crafts didn't immediately turn her into a fan. “Coming from Germany, we grew up with crafts,” she says. “This does not mean I liked it ... I did not!” It wasn't until retirement that Beate picked up her knitting needles and discovered a creative outlet she truly enjoyed. Today, she can often be found surrounded by yarn and fabric in her sewing room, bringing handmade projects to life. Her business, Happy Scrappy World, grew from that rediscovered passion. The Headingley Holiday Market will be Beate's first holiday Market. For her, participating is an opportunity to share what she has created, support Headingley Seniors' Services and meet talented people in her new community.

Did You Know? Funds raised at the Headingley Holiday Market go directly into supporting the programs, events and services for seniors all year long!

Mark your calendars for Oct 16 & 17 and come support local!

Emergency Response Information Kit

ERIK (Emergency Response Information Kit) is a tool designed to provide critical personal and health information in emergency situations, particularly for seniors who live alone. The kit includes a health information form that covers personal details, medical history, allergies, medications, contact information, and health card numbers. It also contains a health care directive form and guidance on how to register for organ and tissue donation. The kit is magnetized and once completed should be placed on the fridge door, where emergency responders are trained to check in case of an emergency.
